

Berri Banter

Issue 4

March 2020

See you all in NSW 2022!!

Chairman's Report

“Hooray, my final report, which means that everything is organised and ready to go.”

That is how my final report started, unfortunately COVID-19 came along and stuffed everything up.

It is a real disappointment to me and my excellent committee that we had to cancel the Morris Registers National Rally 2020. Even with 20-20 vision we could not have foreseen this.

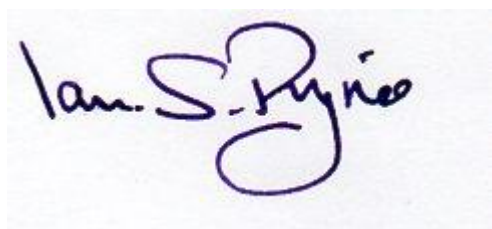

We have explored many avenues, but there was no way we could keep the Rally alive. Next Easter was out, because the caravan park would not take any group bookings for next Easter. Later in this year was also not an option, we don't know when the restriction on groups will be lifted.

Once again, I would like to thank all the members of the committee, until you have been on a Rally Committee you don't realise just how much expertise in so many different areas is required. Especially with today's electronic communications systems.

We will be sending out the Rally Packs, Apparel and the meal refunds in the next few weeks.

We know that many of you would like us to reschedule the Rally, that is not possible, but we are looking at the possibility of holding an informal get together some time next year.

My best wishes to New South Wales in 2022.

Ian S Ryrie Chairman, Not the 2020 Rally.

Editor's Report

Hi all!

We are all extremely disappointed that the rally has had to be cancelled as I am sure you are all too. It would have been one to remember if it had gone ahead. I suppose it will still be one to remember, just not for the reason we would all prefer.

Anyway this is the final Berri Banter that you will receive. It is short and sweet and an opportunity for all of the committee to wish that you, your families and friends all stay healthy and manage to avoid the virus.

Roll on NSW 2022 we are doubly looking forward to seeing you all.

Kerry Williams
